

The limited edition **LOUISVILLE KENTUCKY.**

A rare opportunity to secure one of Australia's rarest new vehicles.

The image shows the interior of a vehicle, likely a Ford truck, with a custom dashboard featuring multiple analog gauges and a mounted Uniden hands-free telephone. The steering wheel has a Ford logo. The roof of the vehicle is painted a vibrant red. The background is a surreal landscape with a bright blue ground and a line of trees under a cloudy sky.

*There is room to mont your CB Radio and
your Radio/Cassette jayer in the roof of your
limited edition buisville Kentucky.*

*Your personal I.D. plate identifies
this rare limited edition vehicle.*

Your fitted Uniden hands-free telephon.

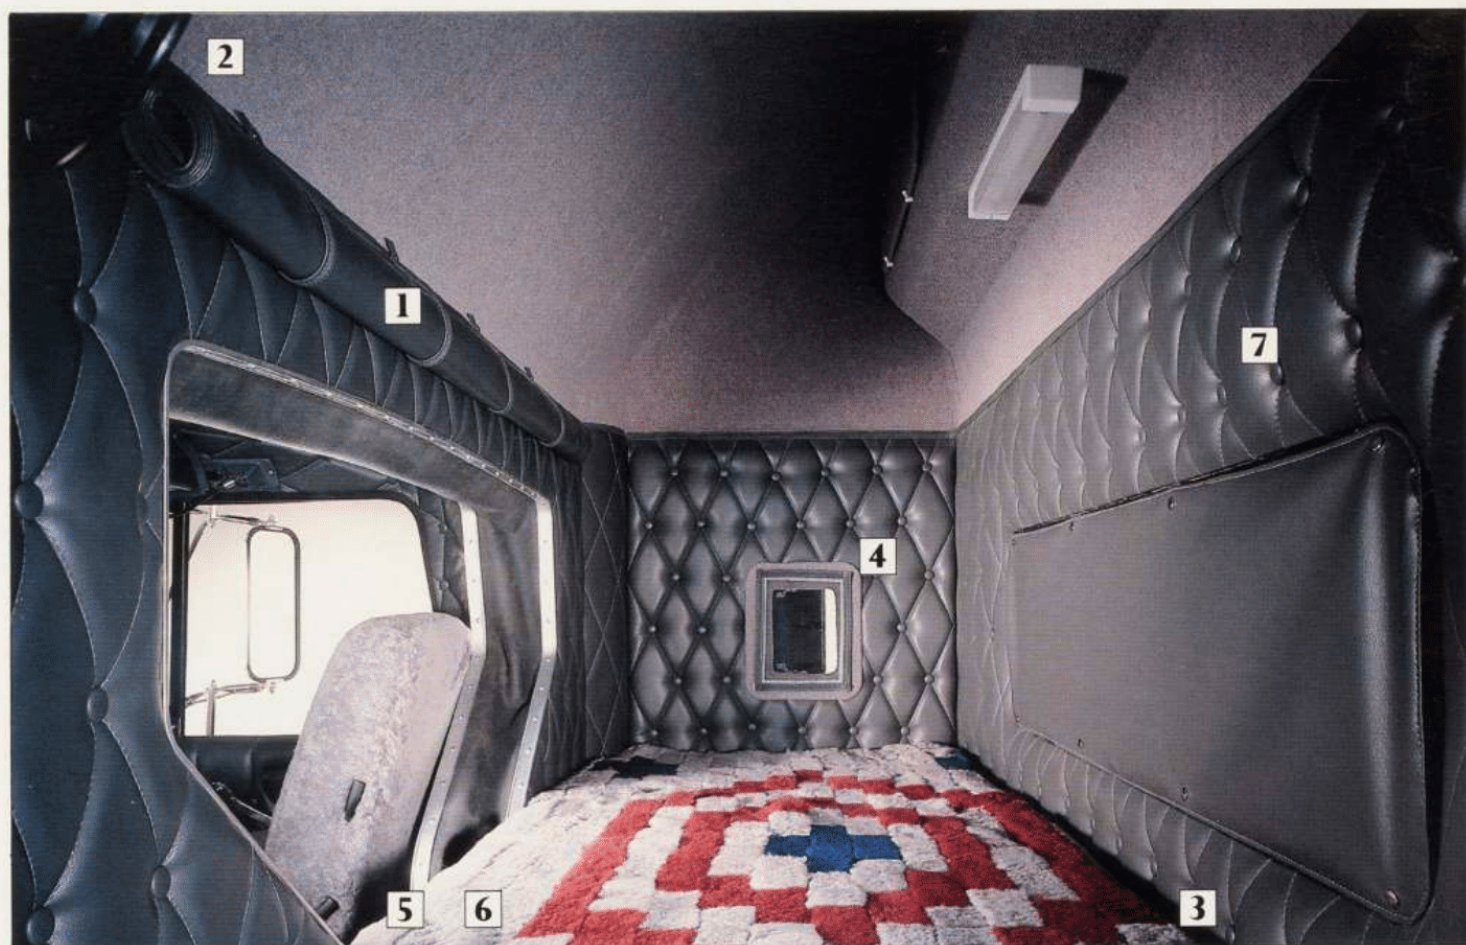

*Stay cool on the hottest outback roads with
integrated air conditioning.*

The Inside Story: The appeal is unlimited. Production is limited to fifty.
